MEMORANDUM FOR: Legislative Counsel

SUBJECT: H.R. 2639, To amend the Classification Act of 1949, as amended, so as to authorize longevity step-increases for officers and employees in grades above grade 15 of the General Schedule

1. In accordance with your request, we have reviewed the bill described above as a basis for comment as to whether it is of interest to Agency activities and whether further action by your office is necessary or desirable. The bill proposes an amendment to section 703 of the Classification Act of 1949, from which this Agency is specifically exempted.

2. We do not believe further action by your office is required. However, if this proposal should be enacted, we would recommend adoption of the amended provision by this Agency to ensure that our employees receive at least comparable benefits to those enjoyed by employees in the classified service.
